

MINUTES: NSB Rowing Committee Meeting on Tuesday, 8/27/19 8:45am-10am @Mama's

ATTENDEES: Ian Simpson, Lisa Fox, Christina Fletcher, Kristen Chadwell, Irene Bhatia, Barney Ellis, Kina Paegert, Cathryn Shults, Heather Cours

AGENDA/TOPICS:

Updates - Kristen

- Update on outdoor carpet/rug. Waiting on Tom.
- Master's meeting on September 8 @12:00pm. All masters are invited.
- New unis for upcoming season. Design shown and almost finalized.
- Website will have a store to purchase gear and unis.
- Review of items from previous meetings – where do we stand?
- Heather Cours is new parent liaison chair, welcome!

James – In absentia

- Equipment procurement forecast. In need of this season: cox boxes, GPS speedcoaches, 4 sets of skinning sculling oars (to replace last years JNT set), blues/double blues are too heavy a load for novice boys and can not be shortened anymore. Launch – red one to be repaired. Purchase UCI launch for \$4500?
- 2020-2021 year needs: girl's 8, boy's 8, boy's/men 4X and 2 still water launches.
- 2+ years: New full size trailer – currently traveling with two to most regattas. Most likely all JR regattas due to number of 8's needed this year.

Kina

- Volunteer sign-up sheets for review. Christina will finish sign-up genius online with specific times and dates so Kina can finalize for parent meeting.

Irene

- Parent meeting – Finalizing specifics on what is needed for parent meeting.
- Will put together a slideshow for Heather to go over volunteering and rowing basics.
- Bagels / coffee – Irene working on this with Patricia.
- Parking – make sure we have plan for parents to park.
- End of year banquet – have senior gifts and coaches gifts instead of at Christmas banquet?
- We will keep GoFundMe for fundraising platform.

Cathryn

- Dock priority time – between masters and elites. Elites must be off dock for masters practice.
- Savannah is the new Chapman coach and will help with the junior team.
- Boat cleaning – will go over with the juniors. Make sure the oaklocks are cleaned!
- Simple boat repairs – educate the rowers on how the equipment should function so they can make simple repairs (ex. bad wheel).
- Suggest having a small toolbox on each launch with wheels, ball bearings, wrenches, etc. saves time so they can fix on water instead of having to go back to boathouse.
- Repair log – needs to be updated!

- Juniors with boats stored at boathouse need to pay monthly fees.

Ian:

- Sea Base Series – Informal racing, no racing fees, anyone is invited; masters, elites, other clubs. After we will host an informal potluck. We will have a new tab on the website where people can get more info and sign up.
- SBS tee?
- Damage policy – update for juniors. Need to be made aware of costs involved.

Lisa

- Row for Cure – Cancelled. Is working with RowHouse to collaborate with them on something, stay tuned.

Meeting adjourned at 10:00AM – Next meeting at 9/24/19 at 8:45AM at Mama's.
